Whereas the above mentioned Training Circular had specified the entry standards in para 4 of the Guidelines for the respective tanker operation, which includes mandatory sea going service on the tankers within last 60 months or at least one month onboard training on the tanker in the supervisory capacity which includes at least three loading and three unloading operations and is documented in an approved advance training for the tanker cargo operations.
6. Whereas STCW Convention paragraph 4.2 of Regulation V/1-1, paragraph 6.2 of Regulation V/1-1, and paragraph 4.2 of Regulation V/1-2 mandates minimum sea-time requirements of candidates for certificates in Advanced Training for Oil Tanker Cargo operation, Advanced Training for Chemical Tanker

9. The Directorate has had discussions with all the stakeholders and decided to amend the entry standards of DGS Training Circular No 06 of 2020 dated 18.02.2020 in the interest of all:

9.2 All candidates who have completed a Basic Tanker course, but are not in possession of any sea time in respective type of tanker are also permitted to attend advanced training course, if they desire to attend the course or is required by any Company.
